

If you are in the UK and are interested in being a regular supporter of COPE here is what you can do!

POWER are our founding partners and are a registered UK charity who are able to collect regular and one off donations, collect the gift aid and then send on the money to us! This means that your standing order or payment will be to POWER International. Please use the attached form so that it is clear that your donation is for the COPE project.

All accounts are externally audited and even if your donation is made from the UK our trademark free karma is still included!

Here is what a difference your donation can make!

£10 a month = Materials for 4 legs... every year!

£20 a month = A months worth of food for a patient during their rehabilitation.

£30 a month = A leg a month!

All donations received are used for patient's costs, materials and training of local staff.

Your support is vital to the continuation of the project please do not hesitate to contact us if you have any questions at all!

With many thanks from all of us here in Laos!

You just need to fill in the attached form and post it to POWER at **POWER International, Cutlers Court, Copyground Lane, High Wycombe, Bucks HP12 3HE**
