

# Nadine Yazbek

- mountain climber and rockstar fundraiser

Nadine visited COPE in July 2010 and was inspired by the work we do.

In 2011 Nadine and a friend fundraised \$1000 by holding a beach boot camp.

In 2012 she thought she would aim for more, this time increasing her donation by 11 times!

Nadine raised \$11,000 by:

- ❖ Holding a pre-loved clothes sale
- ❖ Asking friends to sponsor her to climb Mount Kilimanjaro in Tanzania
- ❖ Organising a quiz night (we especially like this one because it raised HEAPS of awareness about COPE!)
- ❖ As a result of the quiz night ARGO on the Parade (a restaurant in South Australia) donated \$1500
- ❖ Nadine's family members and friends also donated 😊

We would like to recognise and thank Nadine for all her hard work.  
We are so grateful that people do climb mountains for us!
